CALL	-

Defender Signal Blocker

The award-winning Defender Signal Blocker is our industry-leading product that combats distracted driving. Once a phone is placed in the blocking pouch, the phone is unable to receive any calls, message or notifications, minimising distraction for the driver. Made with unique specialist RPF™ material, the pouch also prevents keyless vehicle fobs from relay attacks.

Police Accredited through Secured by Design, winner of the Auto Express Best Buy award for 2018 and 2019 and shortlisted for Best In Car Product for First Card Awards for 2018 and 2019.

Quality and performance you can trust, with extensive branding options available.
